EMPLOYEE DISCUSSION – GUIDELINES

The term of this Agreement shall remain in effect until August 1, 2020, unless a new agreement has not been reached between the parties. In such case, the terms of this agreement will remain in effect until a new agreement has been reached or impasse declared. All language in this Agreement shall remain as written in the Agreement for those years. The parties will make every effort to reach a new agreement before the expiration date on August 1, 2020.

On the fourth Friday in October 2020, the representatives of the Union and the District Administration will meet at a mutually agreed upon location to exchange discussion packages. The discussion of items shall begin the first Tuesday in November. The dates, times and places of discussion sessions shall be determined by mutual consent of the Union's representative and the District Administration's representative.

In those years in which discussions are not scheduled, the only items that can be discussed are salaries and benefits, specifically health, life and dental insurances, and one non-budgetary item unless another is mutually agreed upon from each respective party. These discussions will follow the same schedule for exchange of packages and discussion of items, unless another schedule is mutually agreed upon by representatives of the Union and District Administration.

B. RECOGNITION

The KCFT & SRP is recognized as the majority representative of the unit consisting of teachers, counselors, school librarians and other full-time, certificated, non-supervisory employees performing tasks similar to the positions listed above. As used herein, majority representative shall mean that representative elected by the employees in the unit. This unit shall be referred to as the Teachers' Unit.

Any employee organization or group of employees wishing to displace the majority representative of the unit described above shall, by March 1 of any year in which an election is authorized, file a petition with the Superintendent of Schools.

The petition must bear the signatures of at least thirty percent (30%) of the unit described

above and shall be on either a petition provided by the District or approved by the Superintendent. Petition forms provided by the District shall be available on January 16 of each year when an election is authorized.

In the event such a petition is filed, an election shall be held to determine whether the petitioning organization or group of employees shall displace the majority representative. No election shall be conducted until twenty-four (24) months have passed since the prior election.

Should an election be required, that election shall occur prior to the end of the school year. Elections may be authorized only in even numbered years.

E. UNION COMMUNICATIONS

The District authorizes the Union to use one bulletin board per building site, designated for union information, in an area not readily accessible to students. If such a site is not available, the building administrator and Union representative shall mutually agree upon an alternative location.

Other school reorganization necessitated by emergencies may be made upon the recommendation of the Superintendent.

The principal, the teachers affected and the majority representative shall be notified in writing at least one week prior to such reassignment/reorganization.

C. TRANSFER OF A TEACHER FROM ONE SCHOOL OR PROGRAM TO ANOTHER

No teacher under contract shall be transferred from one school or program to another unless Procedure A or B is followed as described below. Such transfers should be voluntary, if possible.

Procedure A. Voluntary Transfer

Members of the Teachers' Unit desiring to transfer to vacancies in another school or program for the following school year shall file a written request via the TalentEd Application process with the Human Resources Department during the transfer window period of January 1 – January 21 of the year immediately preceding the year for which the transfer is desired. Whenever a teacher requests a voluntary transfer, that teacher may not cause the transfer of another teacher. Each member of the Teachers' Unit may list up to three possible transfer moves. In the comment section of the application, teachers may identify preferences of grade level, subject and/or school.

1. Principals will screen all applicants who have applied to their building. All applicants will be notified as to whether they have been selected or not for an interview. Human Resources will send a list of the applicants to each principal, but it is the intent of this policy that principals stay abreast of requested transfers and consider them in all hiring decisions. Interviews may be done over the phone.
2. If a vacancy becomes available after January 21, but before May 1, and members of the Teachers' Unit who had requested voluntary transfers by the January 21 deadline but did not get their transfer request, may reapply for the available vacant position(s).
 - i) Members of the Teachers' Unit who originally applied will have until May 1 to submit their requests; however, vacancies may be filled before this date. Applicants will be notified via an email from HR whether or not their transfer was granted no later than May 15.
3. A principal is not required to select a teacher that requests a transfer to his or her building, and in selecting transfer teacher candidates, seniority does not have to be considered by the principal/HR in making a decision.
4. Voluntary transfers will not be granted after May 1 unless both principals agree to the transfer.

Procedure B. Involuntary Transfer

1. Disciplinary – Disciplinary transfers, when necessary, shall be for just cause and shall follow a conference with HR.
2. Other involuntary transfers
 - i) School Closing – When an involuntary transfer is necessitated due to closing of a school, the principal, in conjunction with the Assistant Superintendent of HR, shall inform the faculty of the closing and provide staff with the information regarding the process that will be followed. The process will be:
 - (1) A list of the members of the Unit affected by the school closing will be developed by HR that identifies the most recent hire date and teaching certifications of each member.
 - (2) A list of available vacancies will be developed by HR.
 - (3) A date will be set for members of the Unit to select placement, and teachers will be scheduled by seniority for interviews, with the most senior teacher given the earliest time.
 - (4) Principals who have vacancies shall also attend on this date.
 - (5) Teachers may meet with principals before selecting a school from the list of vacancies.
 - (6) At the end of the interview process, the teachers will list their top five choices. These choices will be compared with the principals' top five choices for initial matches and selections. If two or more principals select

- the same teacher, the teacher's priority choice will prevail in the match.
- (7) If everyone is not matched, the teachers still on the list will get a new list of remaining vacancies and select a placement according to seniority.
 - (8) If this involuntary process happens after contracts are signed and the teacher does not want the involuntary match, the teacher may resign with no penalty within five days of the assignment being verified.
 - (9) If the process is not completed before the last 30 days of the school year, the district will utilize the seniority-based process. Teachers with the most seniority will have first choice in choosing from the vacancies available for which they are certified.
- ii) Additional Involuntary Transfers – When other involuntary transfers are necessitated due to declining enrollment, decline in district or school funding, emergencies unforeseen by normal school operation, or specialized academic needs of a given school or program, the principal, in conjunction with the Assistant Superintendent of HR, shall inform the faculty of the necessity to reduce the number of teachers and provide faculty with the opportunity to request transfer to a vacancy at another school. Teachers who volunteer must be meeting all teacher expectations on the teacher evaluation system. Teachers who volunteer will be allowed to choose their placement from the available vacancies.
- (1) When no teacher or not enough teachers volunteer, the teacher(s) with the least seniority (unless the certifications and/or unique skill set specific to the job for one of the potentially impacted teachers needs to be considered) in the building will have an opportunity to review a master list of all existing vacancies and will be asked to identify their top three choices for reassignment.
 - (a) The teachers will have an opportunity to interview with the principals of their three choices.
 - (b) Following the interviews and beginning with the most senior teacher, Human Resources and the affected principals will then work on best matches for these reassignments assigning the teacher to one of his/her three priority choices.
 - (c) If a situation arises where the three vacancies selected by a teacher are already filled, the teacher will be allowed to re-select from the available vacancies.
 - (d) HR will send confirmation letters to the teachers and principals.
- iii) Reconstitution – The reconstitution of schools, if necessary, will comply with all applicable state and federal laws/rules/regulations.

1. Whereas, the establishment and maintenance of a harmonious and cooperative relationship between KCPS and its professional staff is essential to the operation of schools, it is the purpose of this grievance procedure to secure, at the lowest possible administrative level, resolution of filed grievances of employees in the unit represented by the Kansas City Federation of Teachers and School-Related Personnel (KCFT). In furtherance of this purpose, no employee shall be disciplined except with just cause, and no employee shall be discharged except for just cause.
2. When the Administration has a need to meet with the employee, the employee will be given specific reasons for the meeting, and if the need for the meeting is disciplinary or may lead to discipline, the employee will be given the opportunity to arrange for representation by the Union prior to the start of the meeting. Administration shall not be obligated to postpone the meeting for more than forty-eight (48) hours if the employee's representative is unable to meet. Representation is limited to a member of the Union, and does not include legal representation prior to the filing of a formal grievance.

The Union and KCPS shall use good faith best efforts to agree to which step the grievance shall revert. Failure to agree will result in the grievance reverting to the previous step prior to the step immediately prior to the step then pending when the information became known. The new information shall be presented at that previous step, and the grievance shall proceed thereafter in accordance with the regular procedure as if that step had not been taken previously.
3. Except for decisions rendered during the informal pre-grievance resolution process, all grievance decisions shall be rendered in writing at each step of the grievance procedure and transmitted to the Grievant and the Union.
4. At any step, upon request, the Grievant may be accompanied by a Union Representative.

7. The majority representative of the Union shall receive copies of all filed grievances and written responses by Administration provided the Grievant is a member of the Union. If the Grievant is not a member of the Union, such copies shall only be provided upon KCPS receiving written authorization from the Grievant.  15. Unless otherwise agreed to by the parties, any settlement documents, orders and monetary payments resulting from any step of the grievance process shall be satisfied within forty (40) calendar days from the date of the award.
 16. An employee has a right to pursue any and all courses of action he or she believes exist in a court of law; filing a grievance does not preclude an employee from pursuing legal action. However, if an employee files a complaint (or petition) in state or federal court or with any administrative agency (such as but not limited to EEOC, MCHR, or KCHRC), the grievance procedure for that grievance shall be suspended immediately until the legal proceeding is completed or dismissed and any further grievances to which the employee wishes to file may be filed with the Chief of Human Resources (or designee), but shall be stayed immediately after the filing until the original grievance has been decided or disposed, regardless of whether or not the two grievances concern the same or similar section of the Collective Bargaining Agreement, certificated section of Board Policy, or certificated section of Administrative Policy alleged to have been violated, misapplied, or misinterpreted.
 17. If an employee is successful in his or her grievance appeal and is awarded monetary relief, KCPS shall not be responsible for back-pay and/or benefits for any days that a claim, filed by the Grievant, was also pending in a court of law or administrative agency, causing the grievance procedure to be delayed.
 18. The timelines contained herein shall be strictly adhered to. The party that fails to

follow the timeline guidelines will automatically lose the grievance, unless the parties have agreed in writing to modify any applicable timelines.

Upon such notice the individual Supervisor/Administrator will schedule a meeting within three (3) working days with the employee and his/her representative, in an effort to resolve the matter informally. By agreement of the employee and/or his/her representative and the individual Supervisor/Administrator, such meeting time may be extended by agreement of the parties, not to exceed a total of ten (10) working days. This process shall constitute the informal pre-grievance resolution process. If such pre-grievance resolution efforts are not successful, the Grievant and/or his/her representative may, within five (5) working days of receiving notice that the informal efforts were unsuccessful, initiate a formal grievance starting at Step One.

E. STEPS OF THE GRIEVANCE PROCEDURE
