MO AFT Executive Board,

As the new President of the Kansas City Federation of Teachers and School Related Personnel Local 691, I have a responsibility to ensure the full involvement of our local on the decision-making body of the state Federation. Upon the retirement of Local 691 delegate Anna Griesbach, there is a vacancy on our board. This seat belongs to Local 691. Therefore, it falls upon me as President to appoint an individual to occupy that seat on our behalf. As a result, it is my pleasure to appoint Mrs. Sandra Dayse to the AFT state Executive Board.

Sandra is a native of Charleston, South Carolina and currently teaches in Kansas City Public Schools. She is a teacher of fourth grade at African Centered Lower Campus. As a teacher and mother of two, she brings an extensive knowledge of what teachers and students need to be successful. She is full of passion for equity, inclusion and strong labor. She was appointed by my predecessor on the 691 Executive Board and ran on my slate in the last election. I believe she will be an excellent addition to our body and will be a thoughtful and forward leaning member of our state institution.

I look forward to meeting with you next month and can assure you of Sandra's excitement as well. Together, as one body, we can achieve great things for the American Federation of Teachers in Missouri.
